

MEMBERSHIP APPLICATION

BENEFITS

When you join CFSEI, you will gain access to a wide range of benefits uniquely tailored to the needs of engineers who work with or want to learn more about cold-formed steel. Benefits of membership include:

- Electronic copies of **all CFSEI Technical Notes** and Research Notes.
- Emailed electronic versions of **all new Technical Notes**, hot off the presses and sent directly to your inbox.
- Framework Online **quarterly newsletter**, which highlights current **research trends** and industry news and events.
- Access to **Members Only** section of the CFSEI website ... filled with vast industry resources and publications for easy download.
- Your name and company logo in the CFSEI "**Engineer Finder**" directory: an easy way for clients to find you.
- **Member discounts** on American Iron and Steel Institute (AISI) and CFSEI documents, publications, and seminars: up to 25% off most items, including **code-referenced standards and design guides**.
